

600 Series Rota-Beam™

ROTATING LIGHTHEAD

Whelen's 600 Series Rota-Beam features solid-state "rotating" technology, simulating the appearance of a rotating lighthead without any moving parts or motors for long-life reliability.

6RBRC

FEATURES

- 180° horizontal light spread
- Clear or color polycarbonate lens
- 100% solid-state electronics
- Hard-coated lenses minimize environmental damage from sand, sun, salt, and road chemicals
- 14 Scan-Lock™ flash patterns with varying rotating flash rates
- Available in surface mount
- Integrate with other Whelen Rota-Beam products through synchronize feature
- Low power control
- Optional Chrome or Black flange available
