

Confidence® Plus 2 Germicidal Cleaner

Confidence Plus 2 is a multipurpose, one-step germicidal detergent that is the recommended cleaner sanitizer for MSA PPE and respiratory equipment. Confidence Plus 2 is a quaternary ammonium based, EPA-registered (#47371-130-4204) disinfectant and is effective against multiple pathogens including SARS-associated Coronavirus.

- Used for cleaning and disinfection of respirators and other PPE such as headgear, faceshields and hearing protection. May be wiped on hard surfaces of respirator cartridges and filters.
- Confidence Plus 2 may also be used as a disinfectant in schools, hospitals, nursing homes or other institutional settings.
- One bottle makes 32 gallons of disinfecting solution.
- The use-solution may be applied with a mop, sponge or spray.
- May not be used for sterilization of medical devices.
- The packaged product does not have an expiration; diluted product in solution is shelf-stable for up to 1 year.
- See respirator instruction manual for cleaning and disinfection instructions of respirators.

PART NO.	Description
10009971	Confidence Plus 2
10032737	Confidence Plus 2 (Canada)

EPA Registration #47371-130-4204

Effective against the following pathogens:

Bacteria

Pseudomonas aeruginosa1
Salmonella enterica
Staphylococcus aureus1
Enterobacter aerogenes
Enterobacter cloacae - NDM-1
